DANGERCACHING

By Finn (@Gallefray), Rhys (@PendingChaos), Sam(@CheesyCDartyD)

Who are we?

- Finn- Front-end, back-end, OSs, compilers
- Rhys - Real-time 3d graphics
- Sam – Hardware, front-end, back-end

Who unfortunately could not make it.

Are you a daredevil?

Introducing Dangercaching:

A unique twist of geocaching involving visiting highly active areas of crime within the United Kingdom. Raising yourself up the leader-board.

Why did we make this?

For fun!

Always read the small print

We are not responsible for any injuries/deaths from using our app. (Use at your own risk)
